# *From the Director*

What a privilege it has been to direct *Annie Jr.* Teaming up with Lauren and Jesse has been extremely rewarding and the show would be nothing without them. I am constantly in awe of their passion and love for theatre. I would never have been able to direct a show if it weren't for my boyfriend, Kurt, and my family. They have taken care of my two-year-old son, Rowan, countless times so I could make it to rehearsal. I am so proud of this enormous cast and how far they have come. I love everyone of them dearly and hope they all continue to participate in community theatre. Enjoy!!

~ Mallory Williams
