# FROM THE DIRECTOR

It's been a true honor to direct 54 of our area's most talented teens in DLO's first-ever Teen Musical production, *Grease*. Our cast hails from more than a dozen schools, in numerous communities in both Illinois and Indiana. They are some of the most extraordinary young people I have ever known. In addition to their rehearsal schedule, they have given back to our area by providing eighteen promotional "flash mob" performances throughout the community over the past several weeks. I have come to know and love them like my own and am so blessed to have been able to be part of this creative experience with each one of them. Thank you to my husband, Bryan, who has loved and encouraged me and put up with my considerable Grease-related tunnel-vision all summer. Thanks also to my daughters: Molly, my inspiration, who is part of our cast, and Nelle, my hero, who is missing this experience while spending her senior summer at Basic Training for the US Army. This mom is very proud of both of them. Special thanks to Teresa Ross, Merrit Spicer, the rest of our all-star production team and our hard-working and devoted families, for sharing their incredible talents. Their input was integral to our production's success. Sit back and get ready to have the most fun you've experienced all summer, as we present *Grease!* Wap-Bop-A-Loo-Bop!

~ Shannon Schroeder
