## From the Director

I wanted to be Olivia Newton John. I saw Grease as a girl and was in awe of her. Then comes Xanadu. OMG!!! It was one of my favorite movies growing up. When we got cable, and it was on one of the movie channels, you better believe that I was in front of the TV watching. Fast forward, and I found out that it became a musical theater show-I had to see it. After seeing the musical, I had to either be in it or direct it. Then, as luck would have it, I had the opportunity to direct the children's show for DLO, and I knew I had to do this show. It is funny, endearing, and family friendly. There are lines in the script that the kids don't get, but the adults will, and that's all right. The kids have put in hours of hard work to make this show the best it can be. I am so proud and delighted to work with this cast. Although Grease is the word, Xanadu is a place where dreams can come true!
